

CERTIFICATE OF COMPLIANCE

DATE: January 1, 2020

SUBJECT: REACH Compliance

Dear Valued Customer,

With respect to the resin and foil materials used in Cambridge Security Seals line of products, our material suppliers have declared that none contain any of the Annex XV candidate chemicals proposed to be substances of Very High Concern (SVHC) above the 0.1% threshold as stated in REACH (defined in Article 57 of Regulation (EC) No 1907/2006) as of the July 16th. 2019REACH-201 update.

Declarations for specific materials can be found in the regulatory data sheets on our website at www.CambridgeSeals.com, along with SDS and technical data sheets.

Cambridge Security Seals relies on the information provided by our suppliers or vendors. That said, we do not test these products for these chemical substances. Ultimately customers must make their own determination that their use of our product is safe, lawful and suitable in their intended applications.

Please contact me with any further questions you may have. Thank you for your interest in our security products.
