

COMMON APPLICATION

Trailer doors, Bulk tankers, Reefer trailers, Railroad cars, Storage cabinets, Crates, Cash-in-transit containers, Hopper cars, Containers, Game / fur tags.

PRODUCT NAME: Metal flat seal (MFS)	
STOCK ITEM	No, custom ordered
DESCRIPTION	This seal is a fixed length, tin plate steel strap. Easy to install and can be embossed with company name and consecutive numbers. With a tensile strength of 90lbs, the dual lockings barbs offer audible evidence of proper engagement and locking so it cannot be disengaged by intrusion or manipulation. It's design makes it ideal for slipping through extremely thin apertures.

FEATURES & BENEFITS	
Narrow construction	Fits through extremely thin slots
Double locking barbs	Secure & audible 'click' to ensure proper engagement
Single locking point	Deters attempts to cut and re-seal
High breaking strain	Robust, multi-purpose
Tool-less application	User friendly
Stock printed - SECURED	Easy to manage
Baked paint finish	Added longevity and easy visual identification
Fully recyclable	Environmentally responsive
REMOVAL	Metal shears
